(Movement Ban, Roads & Community Information)

Customer Declaration:

Please find below my contact details for inclusion on the SMS Movement Ban contact list. In signing this waiver I acknowledge that the mobile telephone network for our district can sometimes be unreliable and agree to the following:

- I accept that problems may occur from time to time with the system, with omission or deletions being through staff input errors, electronic faults or phone network problems.
- It is my responsibility to ensure that I contact a Fire Control Officer, the Shire Office or the Harvest Ban/ Vehicle Movement Hotline (9827 1711) should I believe that a Movement Ban may be in place even though no SMS message has been received to my service.
- ***It is my responsibility to ensure that my contact details are updated or reinstated as the case may be.***
