What's required

The Shire of Gnowangerup is seeking to appoint a suitably experienced and qualified contractor to carry out the Shires 2023/24 bitumen sealing program.

Please refer to below "Description of Works" and Attachment A for Technical Specifications.

DESCRIPTION OF WORK:

General

The Works and Services required under this contract is for the provision of bituminous sealing and resealing work on the Principal's road network.

The objective of the bituminous sealing is to provide a durable road surface that:

- bonds to the underlying surface (whether base course, concrete or another bituminous surfacing treatment);
- provides a safe wearing surface for traffic; and
- waterproofs the pavement.

Work Required

The Contractor is to:

- Provide the entire bitumen sealing process including surface preparation, bitumen spraying, aggregate spreading, pneumatic tyre rolling and pre/post sweeping.
- Supply aggregate.
- Provide traffic management.
- Comply with Australian, Austroads and MRWA standards.
- Provide the seal design.

Applicable Standards & Specifications

All bituminous sealing work conducted under this contract shall be carried out in accordance with the applicable Main Roads Western Australia (MRWA) standard specifications.

Background information / Compatibility requirements

Refer to Attachment A for Technical Specification

Timing of Works

The Principal seeks to conduct its sealing and resealing program prior to the end of May.

Location of Works

- Kwobrup Rd SLK 0.39 to SLK 3.4 Gnowangerup
- Chillinup Rd SLK 0 to SLK 2.85 off Borden to Bremer Bay Rd
- Ongerup Recreation Centre Car Park – Ongerup townsite
- Buncle St SLK 0 to SLK 0.70 - Ongerup
