Auditor General

INDEPENDENT AUDITOR'S REPORT 2023 Shire of Gnowangerup

To the Council of the Shire of Gnowangerup

Opinion

I have audited the financial report of the Shire of Gnowangerup (Shire) which comprises:

- the Statement of Financial Position as at 30 June 2023, and the Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and Statement of Financial Activity for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information.

In my opinion, the financial report is:

- based on proper accounts and records
- presents fairly, in all material respects, the results of the operations of the Shire for the year ended 30 June 2023 and its financial position at the end of that period
- in accordance with the *Local Government Act 1995* (the Act) and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section below.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

The Chief Executive Officer (CEO) is responsible for the preparation and the Council for overseeing the other information. The other information is the information in the entity's annual report for the year ended 30 June 2023, but not the financial report and my auditor's report.

My opinion on the financial report does not cover the other information and accordingly, I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I did not receive the other information prior to the date of this auditor's report. When I do receive it, I will read it and if I conclude that there is a material misstatement in this information, I am required to communicate the matter to the CEO and Council and request them to correct the misstated information. If the misstated information is not corrected, I may need to retract this auditor's report and re-issue an amended report.

Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer (CEO) of the Shire is responsible for:

- keeping proper accounts and records
- preparation and fair presentation of the financial report in accordance with the requirements of the Act and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards
- managing internal control as required by the CEO to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for:

- assessing the Shire's ability to continue as a going concern
- disclosing, as applicable, matters related to going concern
- using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

Auditor's responsibilities for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

My independence and quality management relating to the report on the financial report

I have complied with the independence requirements of the *Auditor General Act 2006* and the relevant ethical requirements relating to assurance engagements. In accordance with ASQM 1 *Quality Management for Firms that Perform Audits or Reviews of Financial Reports and Other Financial Information, or Other Assurance or Related Services Engagements*, the Office of the Auditor General maintains a comprehensive system of quality management including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the Shire of Gnowangerup for the year ended 30 June 2023 included in the annual report on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report. It does not provide an opinion on any other information which may have been hyperlinked to/from the annual report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to contact the Shire to confirm the information contained in the website version.

PURPOSE OF THE REPORT

Council's Audit Committee is required to review the 2023 Compliance Audit Return and report the results to Council.

BACKGROUND

The Local Government (Audit) Regulations 1996 require that each local government is to carry out a compliance audit for the period 1st January to 31st December each year.

It is a requirement that the completed return is presented to the Audit Committee for review. It is then referred to Council for adoption.

COMMENTS

The 2024 Compliance Audit Return was completed by senior staff during January and February 2024.

The findings of this Audit will be integrated into the Audit Finding Register which will be presented to Audit Committee at the next Audit Committee Meeting.

- Non-Compliance Register (November 2023 – January 2024) (*confidential*)
- Purchasing Policy 4.1

PURPOSE OF THE REPORT

To highlight non-compliance and/or emerging trends. Purchase Order non-compliance includes but not limited to instances like insufficient quotes, retrospective purchase orders, inconsistencies between purchase orders and invoices or the omission of purchase orders for invoices.

BACKGROUND

Butler Settineri (Dry Kirkness) undertook the 2021/2022 Interim Audit on behalf of the OAG in May 2022 and "Inadequate Procurement Practices" was identified as one of 3 moderate risk findings during the audit.

COMMENTS

As a result of the above finding the "Non-Compliance Purchase Order Register" was set up in August 2022. The register is used to track instances of non-compliance items providing name of supplier, date of EFT transfer, EFT number, the invoice amount, the date the purchase was order created, the responsible officer and reason why the instance occurred.

Since the creation of the register it has been noted that the Shire's current purchasing policy and procedure is in need of updating to included exemptions for instances where the issue of a purchase order is not possible, i.e. utility accounts, service provision items like media messaging services, postal services, Toll freight charges, etc. that greatly varies month to month, pending on usage.

The Shire’s current procedure states that a “Shire Purchase Order must be used for all purchases except for purchases made by Credit Card or petty cash.

This non-compliance register has in recent times been expended to include other non-compliances, and reflect non-compliances.
